- We will sail to the island of Tintamarre nature reserve where we will stop to swim, drink and have an aperitif with various mignardises.
- Then we will sail to Pinel Island, a natural reserve (If the weather allows it, we can also sail on Grand Case)

✚ [choices for lunch](#):

- We will drop you off on Pinel Island so that you can go to the island's restaurant with your feet in the sand under the coconut palms to enjoy a good lobster for example!

- Then we will return to Orient Bay at sunset and the captain will offer you a last drink...
